Professional Experience

Proqsmart, Software Engineer Angular | Django | NgRx | PrimeNg | Firebase | Mysql 2023 Nov–present|Bengaluru,India

- Led the interns in **nuclear startup** and contributed to development of many product features.
- Designed and developed a real-time **live auction** system using Firebase and NgRx.
- Enhanced API performance to achieve response time under **1s**, improving the overall user experience.
- Pioneered the integration of NgRx, reducing frontend load time from **5 seconds to 500 milliseconds**
- Implemented a middleware to manage the role based access (**RBAC**) to the application.
- Developed a common component Library using **PrimeNg** and integrated in **storybook**.

Internpe, Web developer Intern HTML | CSS | Javascript

Oct 2023 to Nov 2023

- Developed four applications: a Calculator, a To-Do List, an E-commerce app, and a Connecting Dots game.

Projects

Issue tracker, React | Django | Redux | Mysql | MUI

2024 May – present

Problem: Tracking and managing issues across different project aspects like frontend,backend, and testing is often disorganized, causing delays and inefficiencies.

- Flexible Project Management: Supports both organizational and personal projects.
- Advanced Access Control: Implements (**RBAC**) for organizational projects.
- Community Engagement: Enables users to follow others, view public projects.
- Open Source Initiative: An ongoing project that will be published as **open source**, inviting contributions and enhancements from the global developer community. Github: [Frontend](#), [Backend](#)

Travel web App, React | Node.Js | MongoDB Link: [TravelApp](#)

- App provides seamless user friendly interface to plan, schedule, book tours and trips for both domestic and international users.

Skills

Languages: Python, JavaScript, Java basic programming.

Frontend: Angular, React, HTML, CSS, Redux, NgRx, Bootstrap, Material UI, PrimeNg, Storybook

Backend: Django, Node.Js, Mysql, MongoDB

Tools: Git

Education & Courses

- Nxtwave Disruptive Technologies | Dec 2023 - Nov 2024 | Industry-Ready Certification in Full-stack Development
- Guru Nanak Institute of Technology | 2014-18 | Hyderabad | Computer Science Engineering
- Intermediate, MPC Sree chaitanya Junior College | 2012-14 | Hyderabad | Percentage: 92
- Paramitha High School | Karimnagar | CGPA: 9.5

Achievements

- **Open Source Contribution:** Reported ag-Grid compatibility issue in Microsoft Edge beta, acknowledged on GitHub.
- Railway Exams: Qualified for railway ntpc level-3 final round.
- Completed 100 Days Code Challenge, which is personal commitment to code.
